**Action Taken or Planned:**

Contacted NDDOT (Gary Skarpohl, 1/16/14, 8:58), NDIC (John Axtman, 1/16/14, 9:04), and NDDH (Kris Roberts, 1/16/14, 9:11) via telephone to inform agencies of the incident. Misted snow on and around the edge of location and in the Hwy 50 road ditch will be plowed. Landowners were contacted: misted snow east of location will be plowed and melted on location; misted snow south of location, across Hwy 50, received landowner approval for natural attenuation. Kitty litter was applied to the misted road surface.

**Notes:**

Release sprayed off location, across Hwy 50. Follow-up is necessary. Roberts received call from company contact early in the day to report this due to the location and highway impact. While it was not required that the highway be sanded for traction, Roberts recommended that CRI do it anyway to minimize liability.
